RE: ACV roof restriction form

We have added an ACV roof restriction form to all policies except the Commercial Package Policy and the Artisan program. We will be adding a form to the Commercial Package Policies once our submission for a compatible form is approved by OCI.

Agent recommendations were to include an ACV schedule with the form. Currently, AAIS does not have a schedule available, and we need additional time to research and file a schedule if we elect to do our own. Therefore, we felt it necessary to add the form to the policy without a schedule so that most of our policies would include an ACV roof restriction before the 2025 storm season. We will still look to add an ACV schedule at a later date. The list of forms being added are as follows:

BP 0819 01 15 – Windstorm or Hail Losses to Roof Materials-Actual Cash Value Loss Settlement
MW 5086 04 23 – Actual Cash Value Loss Settlement Terms for Roof Surfacing
FO 2001 05 15 – Roof Surfacing Amendment-Actual Cash Value Terms
HO 4835 07 13 – Roof Surfacing Amendment-Actual Cash Value Terms for Windstorm or Hail Loss

These forms will be added and **effective on October 16, 2024**, for new and renewal policies. Attached are copies of all the forms mentioned above and they will be added to the policy forms tab in the agent center of the mutualofwausau.com website.

Thank you for your continued business!
