RE: Auto/Home & Security System Discounts - Now Available

Effective immediately, we're pleased to announce the offering of two new discounts for policyholders. These discounts are designed to recognize and reward clients who place their auto policy within your agency or take proactive steps to protect their property.

These credits will appear as a custom IRPM adjustment labeled "Auto in Agency Discount" or "Security System Discount" and calculated as 5% of the Coverage A premium.

How to Apply the Discounts:

For New Policies:

Send a copy of the insured's auto declarations page and/or documentation confirming a centrally monitored alarm system to your Underwriter and request the discount(s) be added to your quote.

For Existing Policies:

Email the request to add the discount(s) with a copy of the auto declarations page and/or documentation confirming a centrally monitored alarm system to: info@mutualofwausau.com
Please note, any approved discount(s) will be effective at renewal.

If you have any questions, feel free to contact your Underwriter.

Thank you for your continued partnership!
