RE: Minimum Deductible & Policy Fee

As many of you are aware, the last few years of storms has really affected the insurance market, particularly the reinsurance market. This in turn has greatly affected our cost for reinsurance. Like many of our peers, this is prompting us to make changes to our policies.

Therefore, effective March 16, 2023, all new and renewal policies will be including the following changes:

- 1) The minimum deductibles for all programs will be \$1000 for all new and renewal business. This does not include inland marine or deductibles built into the policy forms.
- 2) A \$25 policy fee will be added for all new and renewal policies.

Updated manual pages will be available in the agent center of the mutualofwausau.com website under policy forms and manuals tabs shortly.

Thank you for your continued business!
