RE: Payment Acceptance for Re-Issue Applications

Mutual of Wausau reminds you that payment acceptance for re-issue applications differs from new business applications.

Re-issue applications can only be submitted and accepted if one of the following payment methods is included: cash, cashier's check, money order, or an agency check. No personal checks from the insured will be accepted. Credit cards also cannot be accepted at this time.

Payment must be made for the amount past due plus any applicable fees.

If you have any questions about payments or billing procedures, please contact me at 715-393-4613 or jessicav@mutualofwausau.com.
