RE: Re-Issue Applications

Effective June 1, 2025, Mutual of Wausau will be requiring a \$30 re-issue fee when a policy has lapsed and approval to submit a re-issue application is granted. All other rules and binding requirements remain, the only payment acceptable is agency sweep, agency check or money order, and the re-issue application is only available within the first 30 days after a lapse in coverage with prior underwriting approval. A revised re-issue application is attached for your reference and can be found on our website mutualofwausau.com/agents/applications.

A reminder that when a policy cancels for non-pay and we agree to allow you to reissue the application, the policy is re-issued with a lapse in coverage. Since we recently took a rate increase on January 1st, any lapse in coverage from a policy with a renewal date prior to January 1st will result in the rate increase being applied to the re-issued policy since the effective dates for the coverage will be after January 1st.

Since the policy is cancelled, you are not able to quote the policy with the updated rates, however, you can contact the processing department, and they will be able to provide the current rates for the policy to you. Again, this will only be for policies that lapsed after January 1st but previously were in a term prior to January 1st.

If you have any questions, please do not hesitate to contact your assigned Underwriter.

Thank you for your continued business!
